CHASM Housing has established itself as a strong community based organisation. We endeavour to provide pathways and opportunities for people to move into affordable housing and support their full participation in our community.

**The Small House Project**  
*By the community, for the community*

CHASM Housing has designed a number of tiered packages which will give businesses the opportunity to support the community at all levels. Alternatively, we can tailor your package to suit your needs.

As a community **Supporter** you will share our heart-felt desire to improve social and affordable housing on the Sunshine Coast. It is local supporters that have helped provide so much impetus to move our Small House Project forward.

We love to connect with community supporters to give them the opportunity to keep supporting our projects in the Sunshine Coast Hinterland.
